Project Manager, Regulatory Operations Project Management

Are you searching for a rewarding position where you will have extraordinary and fast-track career growth opportunities working for a company that is committed to your success and provides direct training from industry experts and the knowledge you need to succeed? If so, you may be a perfect fit at Aleon!

Job Type: Full-Time

Job Location: Parsippany, NJ (Temporary work from home due to COVID-19)

Job Responsibilities:

- Manage regulatory projects (including pre-IND meetings and other formal meetings with FDA, IND preparation and submission, NDA/BLA preparation and submission, special applications, etc.) from project initiation to project completion.
- Communicate directly with all functions at Aleon to develop detailed project plans and timelines to successfully achieve project milestones.
- Support the preparation and review of regulatory documents to be submitted to FDA to ensure the overall quality and compliance with requirements.
- Utilize Aleon's Asana project management software for streamlining the project management function activities.

Qualifications:

- Ph.D. or Master's degree in pharmaceutical / scientific background.
- Bachelor's degree with at-least 3 years of pharmaceutical / biotech industry experience in project management required.
- We are willing to provide training to exceptional candidates who can demonstrate quality and potential.

Skills and Requirements:

- Excellent organization skills.
- Excellent interpersonal, written, and oral communication skills.
- Strong desire to learn and ability to thrive in a dynamic and fast-paced environment.
- Creative and open-minded.
- Proactive and ambitious.
- Passionate desire to learn.

- Excellent time management.
- Outstanding leadership skills.
- Ability to set priorities by working with senior management.

What We Offer to You:

- Aleon offers competitive compensation with many benefits, including paid time off, performance-based bonus, 401(k), profit sharing program, health, dental, vision, and life insurance, and much more.
- Aleon has a dynamic and flexible working environment where professionals dedicated to learning can truly thrive.
- Limitless learning possibilities, and fantastic career advancement opportunities.
- Friendly and positive work environment.
- Dynamic company culture where employees are engaged and motivated.

We are confident that you will find that Aleon is a very rewarding and exciting place to work. If you feel that you are a good fit for this position, email your resume with confidence to careers@aleonpharma.com.
